

***School Name* is excited to announce our new mobile system**

School Name is excited to announce our new mobile system that is now available as a mobile app on both Apple App Store ® and Google Play ®. This will allow you to quickly access key school information on the go.

Please follow these simple instructions to download the mobile app and access our new mobile system:

- 1) Download the ***SharpSchool*** app from the Apple App Store, if you have an iPhone or Google Play, if you are using an Android device.
- 2) You can start using the app once it is downloaded and installed.
- 3) The first screen will prompt you to enable location services. It is recommended to enable this as the app will automatically use your location and list all schools utilizing SharpSchool that are close by.
- 4) If you don't find your school in the Nearby list, you can use Search to do so.
- 5) Once you locate your school, click on *School Name* and you will be asked if you would like to add this school to your list.
- 6) Hit *Yes* and this will load our mobile system.
- 7) The next time you visit the SharpSchool app, you will not have to complete steps 1) – 5).

We hope that you find our mobile system convenient and useful. Do not hesitate to share any feedback on our mobile system.
